nairobi

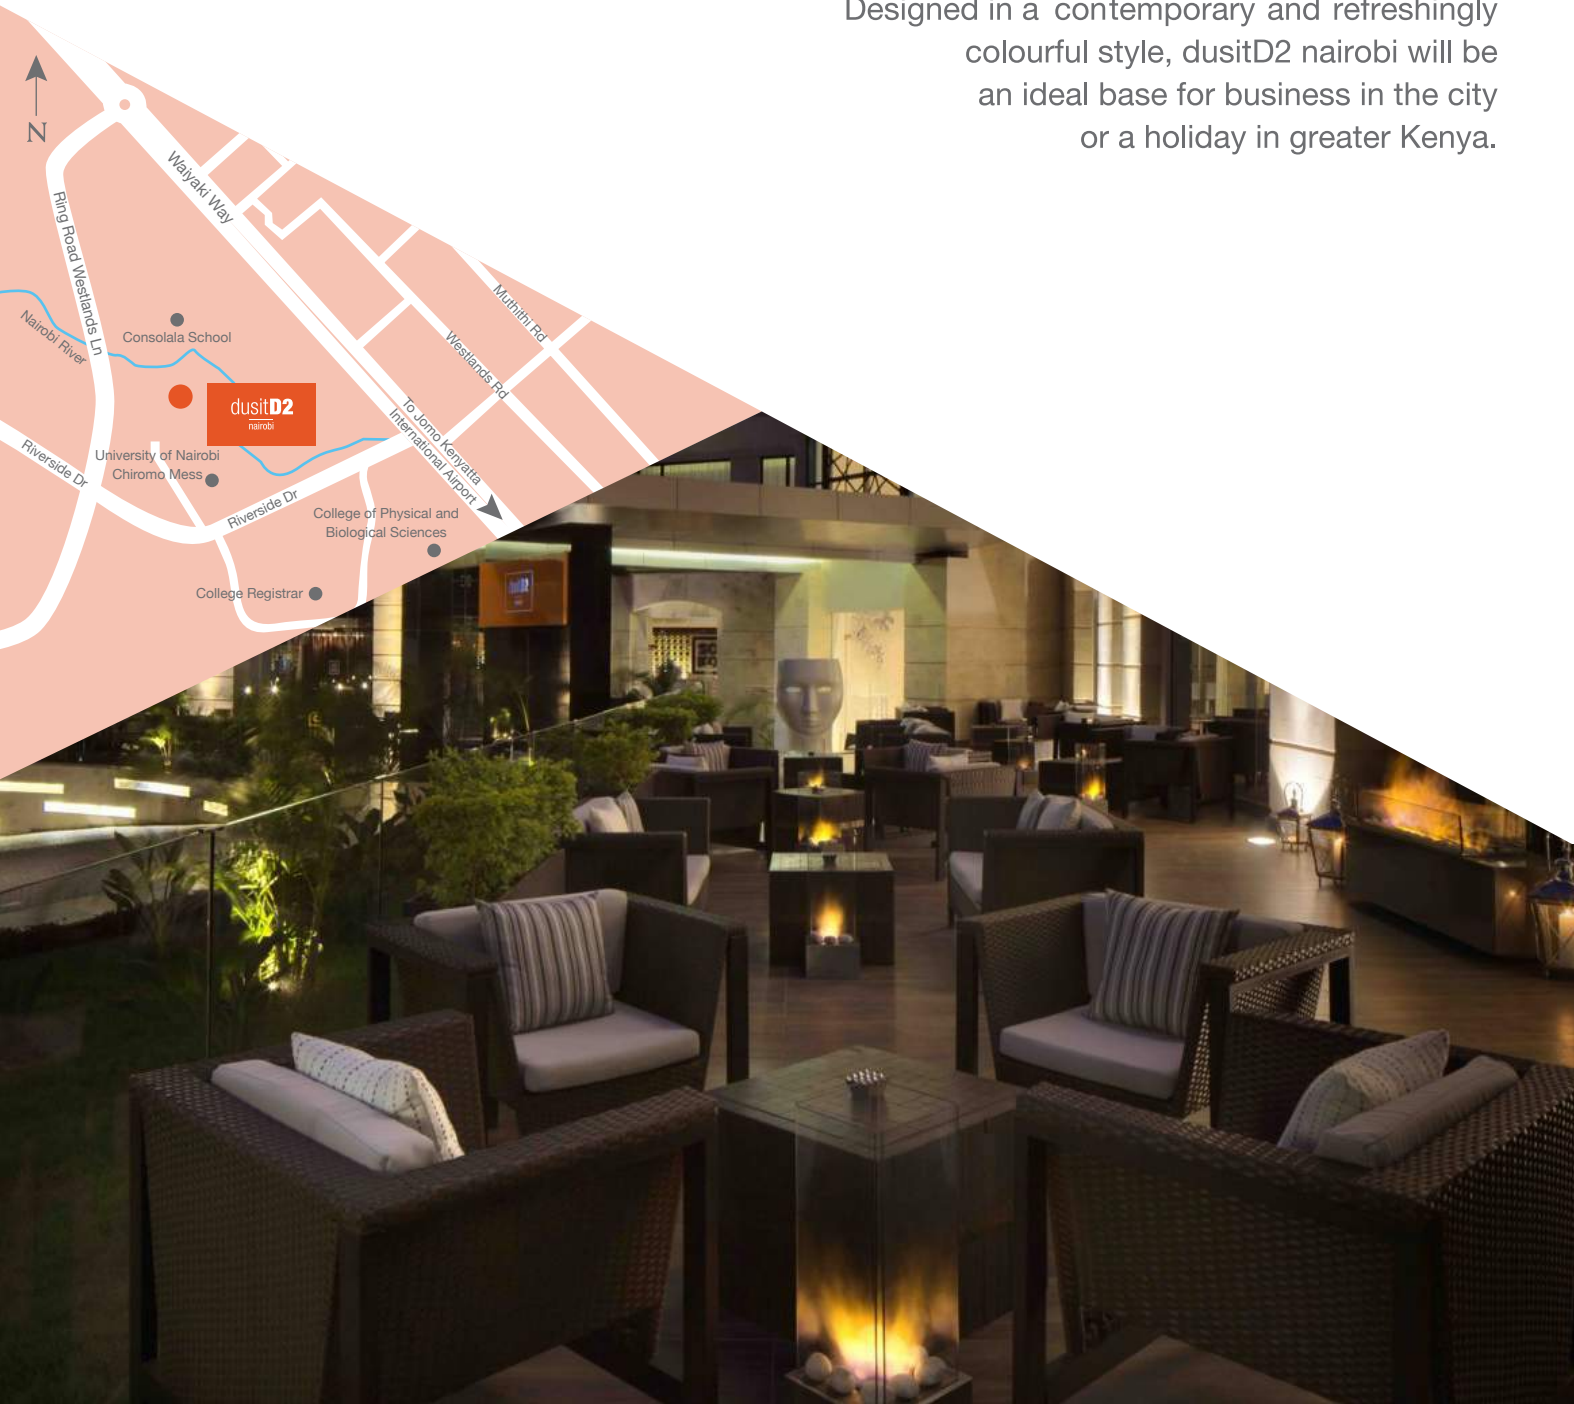

dusitD2 nairobi

Nairobi: “green city in the sun and place of cool waters”. Kenya’s capital city has encountered a landscape transformation to become a thriving modern city with boundless energy.

Cosmopolitan and multicultural, Nairobi boasts flourishing business hubs, a bustling nightlife scene, ample shopping opportunities and the only protected national park within a city in the world.

Designed in a contemporary and refreshingly colourful style, dusitD2 nairobi will be an ideal base for business in the city or a holiday in greater Kenya.
