## The Stable

Stands on the site of the original horse stables of Dusit Resort and Polo Club, the former name of Dusit Thani Hua Hin. Lovingly restored, the venue invites you to create lasting memories and meaningful moments in its timeless setting — all while reveling in the classic charm of Hua Hin.

The Stable resides in a peaceful and very private location surrounded by beautiful landscaped gardens. As a newly established venue, we are very keen to work with you to create unique ideas and take advantage of this magnificent location to make your events special. The Stable can also be transformed into an indoor-outdoor venue with barn doors that lead out to an open air patio with sunset views over our organic rice farm.
