dusitD2 khao yai

Khao Yai, or “big mountain,” is best known for its namesake national park, named a UNESCO World Heritage site in 2005, which boasts stunning natural waterfalls, scenic hiking trails and wildlife observation zones.

Taking its cues from the surrounding natural landscape, the dusitD2 Khao Yai offers a chic take on the modern-rustic theme. Located just minutes from nearby attractions including vineyards, an adventure park and Khao Yai National Park itself, the hotel also offers tree-top dining in a custom-built pod.

Experience nature the D2 way at the dusitD2 Khao Yai, just a two-hour drive from Bangkok.
